SEEKING **PRODUCTION ARCHITECT/EXPERIENCED DRAFTER**

Claudio Veliz Architect (CV A PLLC), an award-winning architecture firm based in Southern Vermont, is seeking to retain a licensed architect, or experienced drafter, on a free-lance basis, for residential and small/moderate commercial construction. Should have comfortable familiarity with: green architectural construction detailing, Autocad, Sketchup, and Photoshop, as well as with specifications writing. Applicant should be in the central New England region for convenient access to meetings and walk-throughs. Please provide resume, work samples and freelance rates, along with any inquiries.

Thank you! – CV A
